

ASEAN Manufacturing Power Distribution Box Company

AI Overview

Key manufacturers and suppliers of power distribution boxes in the ASEAN region include ASEAN Electric Group, DOHO Electric, IndoAsian, and Rittal's authorized channel partners. Major Manufacturers and Suppliers

1. **ASEAN Electric Group** ASEAN Electric Group specializes in manufacturing and supplying power transmission, photovoltaic box substations, and distribution products. Their offerings include prefabricated electrical substations and medium-voltage power distribution units, suitable for industrial and renewable energy applications. The company is headquartered in Nanjing, Jiangsu, China, and serves ASEAN markets through regional distribution and partnerships.
2. **DOHO Electric** DOHO is a leading Chinese manufacturer of distribution boxes with extensive OEM/ODM capabilities. Their products are widely used in solar energy, wind energy, data centers, communications, and new energy vehicles. DOHO emphasizes high-quality materials, ISO-certified quality management systems, and customizable solutions to meet specific client requirements. They offer both standard and bespoke power distribution boxes, making them a versatile supplier for ASEAN companies.
3. **IndoAsian** IndoAsian provides Caretron+ and Optipro distribution boards, designed for both aesthetic appeal and practical performance. Their products feature isolated neutral bars, cement-spill protectors, and IP-rated enclosures, ensuring safety and durability. IndoAsian serves regional markets with a focus on modern installations and industrial applications.
4. **Rittal Channel Partners in ASEAN** Rittal operates through authorized channel partners, distributors, and system integrators across ASEAN countries including Singapore, Philippines, Malaysia, Thailand, Indonesia, and Vietnam. They offer industrial enclosures, busbar systems, and power distribution solutions suitable...
