

African butterfly optical cable manufacturer

Overview

AM Hengtong Africa Telecoms (AMHT) is a South African based company specialising in the manufacturing of optical fibre cables that includes underground fibre cables, aerial fibre cables and FTTH (Fibre To The Home) optical fibre cables. The company is a subsidiary of. YOA Cable, Africa's largest optical fibre cable manufacturer, is known for delivering world-class optical fibre products and exceptional customer service. We anticipate market needs, innovate and constantly refine our manufacturing processes and products to deliver faster speeds and more flexible. A fiber FTTH indoor cable is a compact, flexible cable for indoor use, connecting telecom networks within homes or offices. With a lightweight, flame-retardant sheath, it allows easy installation in interior spaces, providing stable, high-speed data transmission. Enter the top fiber optic manufacturers serving Africa in 2025.
