

Armenian AC distribution box brands

AI Overview

In Armenia, AC distribution boxes are primarily supplied by local HVAC companies representing international brands such as Mitsubishi Electric, Toshiba, and Carrier. Key Armenian Suppliers

Consel Ltd. Consel Ltd., founded in 2001, is a leading distributor of air-conditioning systems in Armenia. They represent Mitsubishi Electric, Toshiba, and Carrier, providing AC distribution boxes as part of their integrated HVAC solutions. The company offers design, equipment supply, installation, warranty, and post-warranty maintenance services, making it a reliable choice for both residential and commercial projects.

Artclima Established in 2003, Artclima specializes in heating, cooling, and air-conditioning systems. While they focus on European brands like Vaillant, Bosch/Buderus, and Viessmann, they also provide energy-efficient AC solutions, including distribution boxes and installation services.

HVAC Systems Founded in 2014, HVAC Systems provides comprehensive HVAC services across Armenia and Georgia. They have installed air-conditioning systems in over 400 buildings and offer custom AC distribution solutions for residential, industrial, and public facilities.

HvacGroup.am This company offers full engineering solutions from design to post-warranty service. They represent multiple major international manufacturers and provide AC distribution boxes as part of complete HVAC systems.

International Brands Available in Armenia While local manufacturing of AC distribution boxes is limited, Armenian suppliers distribute well-known international brands, including: Mitsubishi Electric, Toshiba, Carrier, Vaillant. These brands are integrated into local projects through distributors like Consel Ltd. and Artclima, ensuring compliance with international standards and reliable performance.

Summary For AC distribution boxes in Armenia, the most practical approach is to work with local HVAC companies that supply and install international brand equipment. Companies like Consel Ltd., Artclima, HVAC Systems, and HvacGroup.a...
