

Canadian Cable Tray Fittings Manufacturer

AI Overview

Top Canadian manufacturers of cable tray fittings include Superior Tray, Unitray, Niedax CER, and MP Husky, all offering CSA-approved, high-quality solutions for industrial and commercial projects. Leading Manufacturers Superior Tray Systems Inc is a prominent Canadian manufacturer providing custom-designed cable tray systems that are CSA and UL certified. They offer a variety of tray types, including ladder trays, solid bottom trays, perforated trays, and wire mesh trays suitable for power, control, data, and telecom cables. Their products are known for durability, flexibility, and cost-effectiveness, catering to both commercial and industrial installations. Unitray specializes in aluminum cable trays and fittings, offering CSA-approved Class C, D, and E trays in standard lengths of 3m, 5m, and 6m. They emphasize high-quality manufacturing with ISO-certified processes, ensuring reliable performance for large-scale projects in manufacturing, mining, and energy sectors. Their product range includes ladder, perforated, and solid bottom trays, with options for customization. Niedax CER, part of the Niedax Group, provides a comprehensive range of CSA-approved cable management systems, including cable ladders, trays, basket trays, and channel trays. With over 30 years of experience in Canada, they focus on innovation, safety, and tailored solutions for infrastructure, IT, and energy projects. They also offer collaborative product development for specialized requirements. MP Husky supplies fiberglass, steel, and aluminum cable tray systems that meet or exceed CSA, NEMA, UL, and CTI standards. Their products are widely used across industries, providing robust and compliant solutions for diverse electrical installations. Considerations for Selection When choosing a Canadian cable tray manufacturer, consider: Material and durability: Steel, aluminum, or fiberglass depe...
