

Canadian Smart PDU Manufacturer

AI Overview

nVent and Alpha Technologies are leading Canadian providers of Smart PDUs, offering intelligent power management solutions for data centers and IT infrastructure.

nVent (Enlogic PDUs) nVent, a global leader with operations in Canada, offers Enlogic Smart PDUs designed for advanced power, environmental, and security management in data centers. Their PDUs provide features such as:

- Remote monitoring and control of power usage
- Environmental monitoring (temperature, humidity)
- Integration with DCIM systems for centralized management
- Advanced security options, including RFID-enabled access control

nVent's Canadian presence ensures local support and compliance with regional standards, making it a strong choice for Canadian enterprises seeking intelligent power distribution solutions.

Alpha Technologies (Z-PDU Series) Alpha Technologies, headquartered in Canada, manufactures the Z-PDU series, a Zero RU 48V DC Power Distribution Unit. Key features include:

- High-density DC power distribution without occupying rack space
- Up to 20 secondary circuits with 125A capacity (100A continuous)
- Monitoring of total PDU current, bus voltage, and main breaker trip signals
- IP/SNMP connectivity for centralized monitoring and alarms

The Z-PDU is particularly suited for network cabinets and IT installations where space efficiency and intelligent monitoring are critical.

Additional Considerations While other global PDU manufacturers like Raritan, Eaton, and Delta Electronics provide smart PDUs, nVent and Alpha Technologies are notable Canadian options offering localized support, compliance, and integration with Canadian data center infrastructure.

When selecting a Smart PDU manufacturer, consider:

- Compatibility with existing racks and DCIM systems
- Remote monitoring and energy management capabilities
- Security features and access control
- Local support and warranty services

For Canadian organizations, nVent and Alpha Technologies provide reliable, intelligent, and locally supported PDU solutions suitable for modern...

Power Distribution Units (PDU) Manufacturers and Suppliers

Discover 524 Power Distribution Units (PDU) manufacturers and distributors on GlobalSpec. Find products, technical articles, videos, and more.

Smart PDU (Power Distribution Unit)

A Smart PDU (Power Distribution Unit) is an advanced version of the traditional power distribution units commonly used in data centers. While its primary

Top 10: Power Distribution Unit Companies | Data Centre Magazine

The company's PDU is designed to be space-saving, easy to move and adaptable to future reconfigurations of the data centre. It also offers strong power protection and monitoring, in

OEM Rack PDU Solutions: Smart Power Distribution

What Is a PDU? A Power Distribution Unit (PDU) is a critical device for distributing reliable electricity to multiple IT or telecom equipment within a

Top 10 PDU Manufacturers in the USA for 2025

Identifying the top PDU manufacturers is essential for businesses in 2025. Trusted brands provide innovative products with features like surge protection, overload

Top Data Center PDU Manufacturers | Reliable Power Distribution

Need high-quality data center PDUs? Discover leading manufacturers offering smart, scalable power distribution units with remote monitoring. Ideal for enterprise data centers requiring

Data Center Power Distribution Units

Server Technology produces the highest quality Data Center rackmount power distribution units (PDUs) and monitoring solutions.

USP-PDU-HD Power Distribution Hi-Density | Canadian

Compatible with 36U racks and taller *Based on installation orientation. USP-PDU-HD Power Distribution Hi-Density SKU: USP-PDU-HD CA\$1,912.75Price

Shop Power Distribution Unit, PDU Online | Proax

Discover Power Distribution Unit, PDU at Proax - Canada's top automation distributor. Easy pick-up, fast shipping. Explore now.

PowerPDU 4KS | NETIO products: Smart power

PowerPDU 4KS NETIO PowerPDU 4KS is a smart PDU (Power Distribution Unit) with 4 metered & switched power outputs (4x IEC-320 C13) and 1x DI (Digital

PDU Modular Power Distribution Units Manufacturer

We provide a range of basic and smart PDUs with power switches, lightning protection, LCDs, overload protection, and remote monitoring and control. You

Top 10 Data Center PDU Manufacturers for 2025

Explore the top 10 data center PDU manufacturers for 2025, offering innovative, energy-efficient solutions to optimize power distribution and reliability.

Top 5 PDU Manufacturers Shaping the Industry

Discover the top 5 PDU manufacturers, including NBYOSUN, APC, Vertiv, Eaton, and Raritan, known for innovation, reliability, and energy-efficient solutions.

Power Distribution Unit (PDU)

Products & Services Power Distribution Unit Power Distribution Unit (PDU) IEM's Power Distribution Units (PDUs) are engineered to deliver reliable, high-capacity

Canada Intelligent PDU Market (2025-2031) | Trends, Outlook

Canada Intelligent PDU Market Overview The intelligent Power Distribution Unit (PDU) market in Canada is growing as businesses seek advanced solutions for managing and distributing electrical

10 Top PDU Manufacturers in the United States

This post lists 10 PDU manufacturers and suppliers in USA. Take a look at their list and obtain detailed information about them.
