

Customized Cable Tray Ladder Type

AI Overview

The price of customized ladder-type cable trays varies widely, typically starting from around ₹90 per meter for basic steel trays, with higher costs for stainless steel, aluminum, or fireproof options.

Price Range and Factors

The cost of a customized ladder-type cable tray depends on several factors:

- Material:** Steel trays are generally the most affordable, starting at approximately ₹90 per meter in India, while stainless steel (201/304/316/316L) and aluminum trays are more expensive due to corrosion resistance and durability. Fiberglass or FRP trays also command higher prices for specialized applications.
- Galvanization and Coating:** Pre-galvanized trays are lower in cost, whereas hot-dip galvanized trays offer longer life and anti-corrosion properties, increasing the price.
- Customization:** Custom sizes, additional accessories like dividers, covers, bends, tees, or reducers, and OEM/ODM options can significantly affect the overall cost.
- Load Capacity and Size:** Larger trays designed for heavy-duty or high-voltage cables are more expensive due to increased material and engineering requirements.

Supplier Examples

IndiaMART Suppliers: JP Electrical and Controls and Global Manufacturers & Traders offer ladder cable trays starting at ₹90 per meter, while Parmar Metals Private Limited starts at ₹98 per meter.

Alibaba and Made-in-China: Suppliers provide a wide range of materials and custom options, with prices varying based on material, size, and additional features like fireproofing or anti-rust coatings.

JLH Electric: Offers custom ladder-type cable trays in steel, stainless steel, aluminum, or FRP, with bulk order pricing and OEM/ODM services available.

Recommendations

Determine the total cable load and required tray dimensions to ensure proper sizing and airflow for cooling. Consider future expansion and maintenance access when selecting tray width and rung spacing. Contact multiple suppliers to compare bulk order pricing and delivery options, especially if specialized materials or custom designs are required. By evaluating these factors, you can sele...
