

Customized Low-Voltage Complete Equipment for Pakistan

AI Overview

Pakistan offers a wide range of complete low-voltage equipment sets, including switchgear, distribution panels, motor control centers, and automation solutions from leading manufacturers and suppliers. Leading Manufacturers and Suppliers Lineman Pvt. Ltd is a prominent provider of integrated electrical power solutions, offering low-voltage switchgear, industrial automation, cable management systems, and complete testing services. They are an official partner of Siemens for LV type-tested switchgear and provide installation, commissioning, and on-site testing for industrial and commercial projects. GEPL specializes in WAPDA-approved LV and MV switchgears, power distribution panels, and motor control centers. They provide customized engineering solutions and have a legacy of manufacturing high-quality electrical equipment since 1983. Shahid International acts as a dealer and importer of low-voltage switchgear, industrial automation products, wiring, and home automation solutions, offering technical support and services across Pakistan. Switchgear Solutions manufactures and supplies low-voltage switchgear, motor control centers, soft starters, VFDs, and special-purpose panels. Their products cater to banks, hospitals, schools, commercial buildings, and industrial sectors, with options for indoor and outdoor installations. UNION STABILIZERS provides complete low-voltage devices, including voltage stabilizers with digital meters, circuit breakers, and integrated protection circuits, available in Lahore and other regions. Product Range and Services Low-Voltage Switchgear: Indoor/outdoor, cubical or compartment type, fixed or withdrawable. Motor Control Centers (MCC): Freestanding design, easy installation and maintenance. Power Distribution Panels: Customized for industrial and commercial applications. Automation Solutions: Soft starters, VFDs, and industrial a...

Low Voltage Cables

Low Voltage Cables We offer an extensive range of 0.6/1.0kV single-core and multi-core power and control cables. These cables have indoor and outdoor

Complete Range of Low and Medium Voltage equipment available in ...

Complete Range of Low and Medium Voltage equipment available in Schneider Electric. Serving Pakistans industry with state of the art industrial equipment for the last 40 years.

Tech cables

TECH CABLES feels pleasure in introducing itself as one of the leading best quality manufacturers of Electric Wires and Cables and Conductors, since 1999

Evergreen Switchgear | Premium Industrial Switchgear & Power

Leading manufacturer of LV/MV Switchgear, Power Distribution Panels, and Industrial Automation systems in Pakistan. IEC Compliant & ISO Certified electrical solutions.

Electrical - Alpha Tech International

We are pleased to introduce ourselves as one of the leading low voltage Electrical switchgear manufactures and electrical service provider in Pakistan with our offices in Lahore, Islamabad,

Zar Electric | Quality Electrical Supplies Pakistan

Zar Electric is your trusted online store in Pakistan for high-quality electrical products, switches, sockets, LED lights, and more.

Lineman Pvt. Limited - Think Power | Think Lineman

With our state-of-the-art manufacturing facilities, we produce a range of high-quality products including low voltage switchgear, medium voltage switchgear, industrial

AL Barq Switchgear & Technology | Power House Electrical Products ...

AL BARQ Engineering Services delivers complete range of low and medium voltage electrical switchgear panels, designed for industrial excellence, safety, and reliability. Manufactured with

One of the largest and most sophisticated switchgear

Low Voltage Type Tested Switchgear (BlokSet) BlokSeT switchboards are complete and customized low-voltage (LV) solutions for power distribution and motor

Low Voltage Switchgear in pakistan

Secure your facility with high-performance Low Voltage Switchgear in Pakistan by GEPL. Certified, safe, and efficient power distribution solutions.

Sh. Wilayat Ahmed & Sons | Complete Range of Low and Medium Voltage ...

1 likes, 0 comments - swas.pakistan on May 26, 2025: "Complete Range of Low and Medium Voltage equipment available in @schneiderelectric . Serving Pakistans industry with state of the art industrial

Switchgear Solutions – Pakistan's Trusted Switchgear Manufacturer

From LV panel boards to motor control centers, Switchgear Solutions delivers ISO-certified, low-voltage electrical manufacturing across Pakistan banks, hospitals, universities, and industry.

Top 74 Switchgear Manufacturers in Pakistan (2026)

Jubilee Corporation, Pakistan, is a key player in the low voltage switchgear market, offering a range of products and technical support, including Moulded Case

Electrical Switchgear Manufacturing LV & MV

Precision-engineered LV and MV panels ensuring safe and reliable power distribution for Pakistan's heavy industries. We manufacture custom-built VCB, ACB, and PFI plants designed to meet

Electrical Equipments Suppliers & Exporters in Pakistan

Pakistan Electrical Equipments Suppliers Directory provides list of Pakistan Electrical Equipments Suppliers & Exporters who wanted to export electrical equipments from Pakistan.

List of Voltage companies in Pakistan (electrical-equipment-supplies)

Stabac Electronics Co. Pakistan We are manufacturers of power related products in Pakistan. Our products include UPS, Voltage Stabilizers, Power Supplies, DC-DC Converters, solar charge

powersolutions.pk

With years of proven expertise, the company specializes in designing, manufacturing, and delivering high-quality power distribution systems, including Medium and Low Voltage Panels, ATS Panels,

Products

PowerTeck Engineering Services is Authorized Solution Partner for SIEMENS Automation & Drives Products in Pakistan. We provide Complete Automation Solutions based on Siemens PLC and HMI.

Low Voltage Power Cables – General Cable

Low Voltage Power Cables Conductor: Soft Annealed Stranded solid and Flexible copper and Aluminum Insulation: PVC, XLPE LSZH Sheathing: PVC, LSZH, PE, MDPE Armoring: Galvanized Steel Tape,

Electric Switchgear Solutions | Enercon

Enercon builds custom low- and medium-voltage switchgear tailored to your specs. UL891 and UL1558 certified, reliable, and ready for retrofit or new installs.

TRI TECH (PVT) LIMITED :: Home

We custom manufacturer low voltage switchgear, PFI plants, control panels and motor control centers specifically for your industry.

Home | Voltech

Our Services Specialized EPC & Electrical Services From substations to underground cables, Voltech provides turnkey EPC services, equipment
