

Ethiopia exports CFP8PAM4

AI Overview

Ethiopia's main exports include gold, coffee, live animals, oilseeds, flowers, and khat, with key trade partners in Asia, Europe, and Africa. Key Export Commodities Ethiopia's exports reached \$3.36 billion in 2024, marking a 17.4% increase from 2023 and a 32.8% rise compared to 2020. The largest export commodities are: Gold: 21% of total exports, primarily shipped to Switzerland. Coffee: 19% of total exports, a major agricultural product with global demand. Other exports: live animals, oilseeds, flowers, and khat. These commodities reflect Ethiopia's comparative advantage in natural resources and agriculture. Export Partners Ethiopia's exports are distributed globally, with major importers including: Saudi Arabia: 10.4% of total exports United States: 9.7% Netherlands: 7.6% United Arab Emirates: 5.7% Somalia: 5% India, Germany, China, South Korea, Japan, Israel, Djibouti: smaller but significant shares. From a regional perspective, 51.1% of exports go to Asia, 23.2% to Europe, and 14% to Africa, with minor shares to North America, Oceania, and Latin America. Recent Trends Ethiopia's exports have shown steady growth, with quarterly exports reaching \$1.76 billion in Q4 2024, up from \$1.52 billion in Q3 2024. The country benefits from a weaker local currency, making exports more competitive in US dollars. Notes on Specific Product Codes The code "CFP8PAM4" does not appear in the available trade data. It may correspond to a customs or internal product classification, which is not publicly listed in the sources. For confirmation, consulting the Ethiopian Revenue and Customs Authority or the Ethiopian Statistical Service would provide precise information on whether this product is exported. Ethiopia's export economy is heavily reliant on primary commodities, and understanding the main products and trade partners provides context for any specific product inquiry.
