

High-quality cable trays from North Africa

AI Overview

Top cable tray options in North Africa include Legrand, El Sewedy Electric, and Hutaib Electrical, offering durable, high-quality solutions for industrial and commercial projects. Recommended Manufacturers and Suppliers

Legrand is a global leader in electrical infrastructure solutions, providing cable trays, raceways, and wiring accessories suitable for industrial, commercial, and residential applications. Their products are designed for durability and compliance with international standards, making them a reliable choice for North African projects.

El Sewedy Electric, based in Egypt, is a prominent manufacturer serving Africa and the Middle East. They offer a wide range of cable trays, electrical enclosures, and accessories, particularly for energy, infrastructure, and telecommunications sectors.

Hutaib Electrical, operating in South Africa and across Africa, specializes in various cable tray types including ladder, wire mesh, basket, perforated, and raceway trays. They also provide accessories such as bends, elbows, tees, and reducers. Their products are available in finishes like GI hot-dip, pre-galvanized, powder-coated, and stainless steel (SS-202/304/316), ensuring suitability for diverse climates.

Types of Cable Trays

- Ladder Cable Trays:** Ideal for heavy-duty industrial applications, providing strong support and ventilation for cables.
- Wire Mesh/Basket Trays:** Flexible and lightweight, suitable for data and communication cables.
- Perforated Trays:** Allow airflow and heat dissipation, commonly used in electrical and industrial installations.
- Raceway/Channel Trays:** Enclosed trays for protection against dust, moisture, and mechanical damage.

Considerations for North Africa

When selecting cable trays in North Africa, consider:

- Climate Resistance:** Choose trays with corrosion-resistant finishes like powder-coated or stainless steel to withstand arid or coastal environments.
- Compliance:** Ensure products meet regional and international standards for safety and durability.
- Project Type:** Industrial, commercial, or residenti...
