

High-quality optical splitter supply

Overview

Find top optical couplers and splitters with low insertion loss, high isolation, and customizable options. Click to explore reliable solutions for FTTH and network applications. T&S Communications specializes in optical network. T&S Communications specializes in manufacturing high-quality fiber optic splitters, including PLC splitters and FBT couplers, which enhance the flexibility and scalability of optical transport systems. With over two decades of experience, the company provides a comprehensive range of fiber optic. GKER Photonics Co. Our optical splitter is designed to evenly split optical power without the need for additional power supply, making it an ideal choice for various. Upgrade your optical communication network with GKER Photonics Co. Our products are engineered to ensure.
