

High-quality stainless steel cable tray manufacturer in the UK

AI Overview

Leading UK manufacturers of stainless steel cable trays include Lasnek, Metsec, CEF, and Aitkens Cable Tray Systems, offering durable, corrosion-resistant solutions for industrial and commercial applications. Recommended Manufacturers

Lasnek Ltd
Lasnek provides a wide range of stainless steel cable trays designed for efficient cable management and long-term durability. Their products are suitable for various industrial and commercial applications, ensuring safety and organisation of wiring systems. Metsec (voestalpine Metsec) Metsec offers stainless steel grade 1.4404 (316L) cable trays made to order, conforming to BS EN 61537 standards. They provide a full design service, CAD drawings, and bespoke systems with high on-time delivery performance. Their trays are available in multiple depths and widths, with accessories for bends, tees, and other configurations. CEF CEF supplies high-quality stainless steel cable trays that are corrosion-resistant and suitable for demanding industrial environments. Their range includes various sizes and configurations, providing flexible and reliable solutions for professional installations. Aitkens Cable Tray Systems Aitkens specialises in robust and cost-effective cable trays, including perforated and ladder types. Their products are designed for easy maintenance and efficient cable management in both industrial and commercial projects. Additional Notable Manufacturers Other reputable UK manufacturers include Channel & Tray, CMW Ltd, Basor Electric, and Tamlex, all offering stainless steel options with high durability, modular designs, and compliance with international standards. Key Considerations When selecting a stainless steel cable tray manufacturer in the UK, consider: Material grade (e.g., 316L for high corrosion resistance) Compliance with standards (BS EN, ISO certifications) Tray type and configuration (ladder, perforated,...
