

How much does a double-clean mesh cable tray cost

Overview

The average cable tray price per meter ranges from \$2 to \$25, depending on material, type, size, and surface finish. For bulk orders or project pricing, the cost can be significantly lower. The main cost driver is the material used in manufacturing: Galvanized steel is the most common. The price is based on standard length of the cable tray which is 2. We want to improve this website so we need your help. Please send us your recommendations, suggestion, and request. Cable trays will tend to be significantly less expensive to use in 2026 than metal pipes due to their faster installation. Use pliers to lock tabs and secure tray to threaded rod finish for indoor use Universal. Discover wire mesh cable tray price lists with CE-certified steel trays, 10-year guarantee, and free samples. Ideal for industrial cable management. They are strong, durable, and widely available, making them ideal for general-purpose electrical installations in residential, commercial, and industrial settings.
