AI Overview

Leading Italian cable tray manufacturers like Spina Group, SATI Italia, SITIE, and Zamet SpA offer direct sales of high-quality industrial cable management systems. Key Manufacturers

1. Spina Group (Schiavetti Tekno) Spina Group is a prominent Italian manufacturer specializing in cable trays and accessories for electrical and instrumentation systems. They offer stainless steel, galvanized, and wire cable trays in various types, including closed, perforated, ladder, and wire-mesh designs. Custom sizes and compatibility with Unistrut systems are available. Their products comply with European (EN) and international (UL) standards, and they provide full technical support, testing, and after-sales assistance, making direct purchase feasible for industrial clients.
2. SATI Italia S.p.A Founded in the 1960s, SATI Italia produces robust and flexible cable carrier systems suitable for energy, construction, and automation sectors. Their modular systems allow customization for complex projects, and their products meet international safety and quality standards. Direct sales are supported through their extensive logistics network across Sizzano, Padua, and Latina, ensuring rapid delivery and service.
3. SITIE Impianti Industriali SITIE specializes in industrial cable tray systems, including perforated trays, solid-bottom trays, and custom designs. Their products are engineered for heavy-duty applications, easy maintenance, and high load capacity. SITIE offers direct sales and technical consulting for industrial installations, making them a reliable choice for demanding environments.
4. Zamet SpA Zamet is a major Italian manufacturer of trunking and cable trays for civil and industrial applications. With over 40 years of experience, they provide a wide range of systems (ZT, ZS, ZM, ZR, ZH, ZC, ZU, ZE, ZF) and can produce custom designs according to client specifications. Direct sales and project-specific solutions are available through their website and sales team.
