

Nordic Towers

Overview

From Snøhetta's iconic Opera House in Oslo to Alvar Aalto's beloved Saynatsalo Town Hall, architects working here are continuously exploring the relationships between space and place. Designed as landmarks and vantage points, new towers and skyscrapers are emerging across the. 30 Hudson Yards (also known during construction as the North Tower) is a supertall commercial skyscraper on the West Side of Midtown Manhattan in New York City. Located near Hell's Kitchen, Chelsea, and the Penn Station area, the building is part of the Hudson Yards Redevelopment Project, a plan. Nordic architecture is intimately tied to the land. The nations of Finland, Norway and Sweden have earned widespread recognition for producing modern projects that critically engage their locales. Guests can enjoy the indoor lounge or outdoor Terrace, which is the perfect open-air spot to take in the sights of the city all year round. Guests can enjoy seasonal bites, a.
