

Price of Custom-Made Cable Trays in the UK

AI Overview

Custom cable tray prices in the UK vary based on material, duty rating, size, and supplier, with options for free cutting and delivery starting around £10. Pricing Overview Cable tray costs depend on several factors:

- Material:** Mild steel, aluminium, pre-galvanised steel, and hot-dipped galvanised steel are common. Mild steel is generally the most affordable, while hot-dipped galvanised steel for heavy-duty or outdoor use is more expensive.
- Duty Rating:** Light, medium, and heavy-duty trays differ in thickness and load capacity. Heavy-duty trays cost more due to higher material usage and durability.
- Dimensions:** Custom lengths and widths affect pricing. Many suppliers, such as metals4U, offer free custom cutting to exact dimensions, reducing waste and cost.
- Accessories:** Couplers, bends, risers, reducers, and covers are additional costs. Some suppliers sell these as separate items, while others include them in package deals.

Supplier Examples

- metals4U:** Offers medium and heavy-duty trays with free custom cutting. Delivery starts at £10, with free delivery on orders over £125 (ex VAT) to mainland England, Wales, and Central Scotland.
- CMW Ltd:** Provides high-quality trays for commercial and industrial projects, with free delivery on orders over £100 and next-day delivery options.
- Direct Channel:** Supplies light, medium, and heavy-duty trays in pre-galvanised and hot-dipped galvanised finishes. They offer a full range of accessories and maintain extensive stock for prompt delivery.
- ICS Supplies:** Offers a full range of cable trays and baskets, including bends, risers, and covers. Prices are available upon enquiry, allowing for tailored quotes based on project requirements.

Customization and Ordering

Most UK suppliers allow you to enter your required dimensions online or request a quote for custom sizes. This ensures you only pay for what you need, minimizing waste. For large projects,...
