

Price of cable tray climbing accessories

AI Overview

Cable tray climbing accessories are available starting from approximately \$4.81 per unit for bulk orders. Cable tray climbing accessories, which include components like splice bar kits, mounting hardware, protective lids, and directional connectors, are essential for safely supporting and routing electrical cables in industrial, commercial, and data center environments. Prices vary depending on the type, material, coating, and supplier. For example, galvanized fittings and standard splice bars can start at \$4.81 per unit when ordering a minimum of 10 pieces for bulk purchases. Factors Affecting Price

Material and Coating: Stainless steel, galvanized steel, or powder-coated accessories may cost more due to durability and corrosion resistance.

Type of Accessory: Mounting brackets, hangers, protective covers, and connectors have different manufacturing costs, influencing the price.

Quantity and Bulk Orders: Wholesale purchases often reduce the per-unit cost, making bulk buying more economical.

Supplier and Location: Prices can vary between local distributors and international suppliers, with options for OEM/ODM customization available from Chinese manufacturers.

Recommended Suppliers

- Alibaba:** Offers a wide range of cable ladder tray accessories with bulk pricing starting at \$4.81 per unit.
- Made-in-China:** Provides access to multiple manufacturers and custom solutions for cable tray accessories.
- PohlCon:** Supplies accessories in various materials and coatings, including gutter connectors, protective rings, and connecting plates.
- RS Hong Kong:** Offers cable trays and management systems along with peripheral accessories like cable grommets and markers.

When purchasing, it is important to follow local electrical codes and ensure proper spacing of hangers (typically every 6–9 feet) to maintain structural integrity and prevent sagging or failure. Selecting the right accessories not only ensures safety but also extends the lifespan of the cable management system.
