

Quotation for Long-Span Cable Trays in Bangladesh

AI Overview

Long-span cable trays in Bangladesh are available from multiple suppliers offering customizable sizes, high-quality materials, and nationwide delivery. Key Suppliers and Options

Raised Floor BD Offers engineered cable tray systems suitable for commercial buildings, factories, hospitals, and data centers. Materials include galvanized steel, mild steel, stainless steel, and aluminum. They provide ladder, perforated, solid bottom, and wire mesh trays, with customization options for bends, tees, reducers, and covers. Their services include design consultation, load calculation, and fast nationwide delivery, ensuring reliable long-term performance and minimal maintenance costs.

JRC Powertech Dhaka Supplies perforated, ladder, wire mesh, and solid bottom trays, with custom designs for unique layouts and load requirements. Trays are manufactured in 18 SWG to 14 SWG thickness, suitable for both indoor and outdoor applications. They emphasize durability, material quality, and expert installation support.

eSmart Bangladesh Provides cable trays in aluminum, mild steel, stainless steel, pre-galvanized, or hot-dip galvanized steel. Standard straight sections are 8 feet long, with widths ranging from 6" to 36" and siderail heights from 3-5/8" to 7". This supplier is suitable for high-voltage power lines, telecom, and sensitive control wiring.

Hutaib Electricals / Cable Tray Company Offers ladder, perforated, basket, and raceway cable trays with standard lengths of 2500mm and thicknesses from 1.2mm to 3mm. Widths range from 40mm to 1000mm, and finishes include pre-galvanized, powder-coated, painted, and hot-dip galvanized steel. They provide accessories and support for long-span installations.

Zibo Baishun Specializes in long-span cable trays with high-quality production and installation services for engineering projects. They focus on durable materials and professional installation support, suit...
