

Recommended manufacturers of electrical distribution boxes in Haiti

AI Overview

Brilltech Engineers Pvt. Ltd, Shengen Fab, and GEYA Electrical Equipment are reliable suppliers of electrical distribution boxes in Haiti. Recommended Suppliers

1. Brilltech Engineers Pvt. Ltd Brilltech is a well-established manufacturer and supplier of power distribution panels and electrical equipment in Haiti. They offer a wide range of products including LT distribution panels, cable bus ducts, transformers, and generators. Their products are known for high-quality performance, custom specifications, and timely delivery, making them suitable for industrial and commercial applications in Haiti .
2. Shengen Fab Shengen Fab specializes in custom power distribution boxes with precise sheet metal fabrication. Their units are UL-listed, weather-resistant, and equipped with advanced safety features such as circuit breakers and ground fault protection. They provide both permanent and mobile units, ideal for construction sites, factories, and outdoor events. Shengen Fab emphasizes flexible configurations, robust safety, and durable materials like aluminum and stainless steel .
3. GEYA Electrical Equipment GEYA offers HT distribution boxes made from ABS and PC materials, providing impact resistance, waterproofing, dustproofing, and corrosion protection. Their products are suitable for indoor and outdoor use across industries such as power systems, petrochemical, railway, and wastewater treatment. GEYA boxes are CE and RoHS certified and have an IP65 protection rating, ensuring reliable performance in harsh environments .
4. Local Distributor Directory For additional options, the Electricals Informed directory lists distributors and suppliers operating in Haiti. Companies like AGS Electrical Services and Altech Corporation provide electrical installations, components, and distribution solutions for commercial and industrial projects .
