

Secondary Distribution Box 510

Overview

The 510 metal connection box provides local distribution of 340 pair per cabinet and is supplied with a backmount frame which support the Krone 237A connectors. The door opens through a full 180° for ease of access it can be removed entirely using quick release hinges and is easily. Ready made connection boxes offer a range of low profile to high density termination of cables in plastic housings with all the cable anchoring and cable entry requirements catered for. Larger boxes can be mounted together. The Excel Connection Box. LSA-PLUS® Connection Box, 500 Series, holds up to 1 x 10 Series 2 LSA-PLUS modules 64282423-00 6428 2 423-00 LSA-PLUS® Connection Box, 510 Series, holds up to 1 x 34 Series 2 LSA-PLUS modules 64282424-00 6428 2 424-00 LSA-PLUS® Connection Box, 520 Series, holds up to 2 x 34 Series 2 LSA-PLUS. ACS takes the basic idea of zone wiring and combines it with pre-cut, pre-tested cable and plug-in connectors, to provide power and telecommunication systems that can be installed under raised floors (The Intelligent Floor), or in accessible ceilings (The Intelligent Ceiling).
