

Singapore Fiber Optic Junction Box Manufacturer Direct Sales

AI Overview

Norden Communication and FiberTek are leading Singapore-based manufacturers offering direct sales of fiber optic junction boxes and related enclosures. Key Manufacturers and Suppliers

1. Norden Communication Norden offers DIN rail-mounted fiber optic terminal boxes, designed for compact installation inside control cabinets or telecom racks. These enclosures provide secure and organized termination points for fiber optic cables and are available for direct purchase in Singapore .
2. FiberTek FiberTek, established in 1999, is a comprehensive supplier of fiber optic components, including junction boxes, patch panels, enclosures, and media converters. Their DIN rail mount patch panels support direct termination or fusion splicing, and their products are designed for industrial applications, high-temperature environments, and long-distance transmission . FiberTek also provides armored patch cords, breakout kits, and connector cleaning tools, making them a one-stop solution for fiber optic deployment .
3. FiberOptic.com.sg This supplier offers fiber optic termination boxes in various sizes (typically 12 or 24 ports) for single-mode and multimode fibers. Their boxes are compact, wall-mounted or rack-mounted, and made of cold-rolled steel with protective coatings. They include pre-installed adapters such as FC or ST for easy connectivity .

Product Features to Consider

- Port Capacity: 12, 24, or customizable ports for fiber distribution
- Mounting Options: Wall-mounted, rack-mounted, or DIN rail-mounted
- Material & Protection: Steel or ABS/PC enclosures with dust and impact protection
- Compatibility: Supports SC, FC, ST, LC, or E2000 adapters
- Industrial Use: Some models are designed for harsh environments, including high temperature and outdoor conditions

How to Purchase Most of these manufacturers provide direct sales through their websites or...
