

Singaporean professional manufacturer of mesh cable trays

AI Overview

Top recommended manufacturers of mesh cable trays in Singapore include Ferrotech, Wanco Electric, RS Singapore, and Jeetmull Jaichandlall. Ferrotech specializes in wire mesh cable trays designed for sensitive cable applications, such as data centers, hospitals, food processing, and pharmaceutical industries. Their trays are made from zinc-plated, hot-dip galvanized, or stainless steel, providing durability and strength for light cables like instrument and network lines. Ferrotech emphasizes cost-effective and easy-to-install solutions suitable for complex layouts and critical environments (Ferrotech). Wanco Electric Pte Ltd Wanco Electric offers a wide range of perforated steel cable trays, including light, medium, heavy, and super heavy-duty options. They use high-grade electro-galvanized, hot-rolled steel, stainless steel (AISI 304, 316, 316L), aluminum, and FRP/GRP materials. Wanco provides customization options for tray types, covers, and coatings, making them suitable for industrial and commercial applications (Wanco Electric). RS Singapore RS Singapore is a trusted supplier and distributor of cable trays, including wire mesh trays from leading brands like Cablofil International, Legrand, and StarTech.com. They cater to commercial, industrial, and residential applications, offering accessories such as cable marker strips and binders. RS Singapore provides online ordering and efficient delivery services, making procurement convenient (RS Singapore). Jeetmull Jaichandlall (P) Ltd Jeetmull Jaichandlall is recognized as one of the top cable tray manufacturers in Singapore, offering high-quality wire mesh trays in various sizes, shapes, and colors. They have an on-site manufacturing facility with modern equipment and advanced technology, ensuring excellent finishing and adherence to industry standards. Their products are suitable for a wide range of sectors and are known for durability and r...
