

South African manufacturer of explosion-proof distribution boxes for smart buildings

Overview

Brands like York, Okari, Enlec, Utilec ©, PSO1 and PSO2 are well known in the South African market and are all solely manufactured by Allbro in South Africa. Local manufacture to international standards means that products are suited to the rigors of an extremely tough local. We supply explosion protected equipment and assemblies to the petrochemical, oil & gas, and related industry. We at EXB Electric represent Eaton Industries, incorporating Ceag GmbH, world. The world's toughest pole-mounted enclosure! A pre-populated solution, ideal for small- and medium-sized solar installations! Available in 2, 3, and 4 string. Waterproof IP66 rated socket enclosures. Deep enough to seal with a plug inside, keeping things water-tight while in use. An expandable. Manufactured from UV, chemical and impact resistant GRP, CCG's Posifit® and Ex Junction Box range have been designed with ease of use and long term reliability in mind. With features such as raised dome lids, raised terminal rails, integral threaded metal gland entries and earth plates, the CCG. Hazardous area techniques like Intrinsic Safety and Flameproof are specialized techniques required to prevent explosions in Industries like PetroChem, Oil & Gas, Mining, Pharmaceuticals & others where flammable atmospheres are present.
