

Swiss manufacturer of conduit-insulated optical fiber cables supplies

AI Overview

Key Swiss suppliers of high-quality fiber optic cables include Diamond SA, Contrik AG, Optonet AG, Solifos, Reichle & De-Massari AG, and Fiberswiss AG, offering both standard and customized solutions for telecommunications, data centers, and industrial applications.

Leading Manufacturers and Their Specialties

Diamond SA specializes in precision optical fiber components and interconnects, including ESA-qualified single-channel fiber optic interconnects. They provide ultra-low insertion loss solutions and services in splicing, measurement, and customized fiber optic technology for critical applications in telecommunications, broadcasting, and space missions.

Contrik AG manufactures high-quality fiber optic cables and collaborates with partners to develop innovative solutions, particularly for broadcasting, media technology, and industrial applications.

Optonet AG focuses on passive and active fiber optic components for telecommunications and ICT networks, offering tailored solutions for secure data transmission and network infrastructure.

Solifos provides reliable fiber optic cabling and systems, emphasizing customized solutions for telecommunications, energy, and emerging technologies such as IoT and 5G.

Reichle & De-Massari AG (R&M) delivers comprehensive fiber optic systems for LAN connectivity, data centers, and horizontal cabling, maintaining cutting-edge technology in fiber optic infrastructure.

Fiberswiss AG offers a full range of fiber optic products, including indoor and outdoor cables, spinning cables, and cable end closures, catering to both standard and specialized applications.

Supplier Network and Availability

Switzerland hosts a robust network of fiber optic cable suppliers, with over 330 manufacturers and exporters actively supplying global markets. These companies provide conduit-insulated cables in various lengths and configurations, e...
