

Taipei Molded Cable Tray Prices

AI Overview

The cost of molded cable trays in Taipei typically ranges from NT\$200 to NT\$1,500 per meter depending on material, size, and quantity, with exact pricing available from local suppliers.

Pricing Overview

Molded cable trays, often made from PVC or other plastics, are widely used in industrial and commercial installations. Prices vary based on:

- Material:** PVC trays are generally less expensive than fiberglass-reinforced or specialty flame-retardant plastics.
- Dimensions:** Width, depth, and thickness affect the cost.
- Quantity:** Bulk orders usually reduce the per-meter price.
- Supplier and Brand:** Established manufacturers in Taipei may charge a premium for quality and certifications.

Typical price ranges in Taipei are approximately NT\$200-NT\$500 per meter for standard PVC trays and NT\$800-NT\$1,500 per meter for high-grade or specialty molded trays.

How to Obtain Accurate Quotes

To get precise pricing:

- Contact local suppliers and manufacturers directly,** such as YEOU CHERNG PLASTICS INDUSTRY CO., LTD. or AREA Material Supplies, Inc., which are based in Taipei and specialize in molded cable trays and accessories.
- Use B2B platforms like TTNET or Trademo** to request quotes and compare suppliers.
- Specify your project requirements,** including tray dimensions, load capacity, and quantity, to receive tailored pricing.

Additional Considerations

- Shipping and logistics:** Local delivery within Taipei may be included or charged separately.
- Certifications:** Some projects, especially in industrial or nuclear facilities, may require trays with specific fire-resistance or quality certifications, which can increase cost.
- Accessories:** Fittings, bends, and supports are usually sold separately and should be factored into the total budget.

By contacting suppliers directly and providing detailed specifications, you can obtain the most accurate and competitive pricing for molded cable trays in Taipei.
