

Tanzanian fiber optic cable manufacturer

AI Overview

RaddyFiber Manufacturing Tanzania LTD and Fiber Optic Tanzania Technologies are leading local manufacturers of fiber optic cables and related components. Key Manufacturers RaddyFiber Manufacturing Tanzania LTD is based in Mwanambaya, Mkuranga district, near Dar-es-Salaam. The company specializes in producing high-quality fiber optic cables and accessories for industrial, telecommunications, security, and commercial projects. Their product range includes outdoor cables, armored cables with single or double jackets, patch cord connectors, and other fiber connectivity solutions. They collaborate with major Mobile Network Operators and the Tanzanian Ministry of Education, Science, and Technology, serving both domestic and regional markets in East and Central Africa. Fiber Optic Tanzania Technologies has been active since 1995 and offers a wide variety of fiber optic cables and assemblies, including standard patch cables (SC, LC, ST, FC, MU, MTRJ, E2000, MT, SMA) and specialized products like armored cables, bend-insensitive fiber, and laser-optimized multimode cables. Their products comply with industrial standards and are used in telecom, military, oil, medical, and other industrial applications. They manufacture single-mode and multimode fibers (G652, G655, G657 series) and support OS1, OS2, OM1-OM4 standards, with a strong focus on quality control and ISO compliance. Additional Industry Players A broader list of cabling and fiber optics companies in Tanzania includes PEGASYS® FTS Services Ltd, Legrand Tanzania, and several others located primarily in Dar-es-Salaam, Arusha, and Dodoma. These companies provide fiber optic solutions, including panels, connectors, and installation services, catering to both commercial and industrial clients. Market Insights Tanzania's fiber optic manufacturing sector is growing, with local companies supplying both domestic and regional markets. Manufacturers often maintain partnerships with telecom operators and government agencies, ensuring compliance with industry standards and support...
