

Twin-screw fiber distributor box manufacturer direct sales

Overview

China-based fiber optic product manufacturer since 2014. 177 products across 8 categories: termination boxes, splice closures, patch panels, PLC splitters, pigtails, adapters, patch cables, OTDR cables. Splice boxes and splice distributors are essential for a reliable fiber optic cabling system and serve as a connecting point between the fiber optic installation cable and the in-house network. High quality components ensure a secure and stable operation. We serve telecom operators, network vendors, and system integrators across multiple regions. Our factory at Baiyun District, Guangzhou, uses advanced production equipment with strict quality and environmental management systems. Fiber distribution box is made of high-strength engineering plastics, anti-UV, anti-aging ability. Our vertically integrated facility accelerates delivery significantly faster than market averages while ensuring robust performance in harsh environments.
