

US Communication Cable Tray Manufacturers

AI Overview

Leading US manufacturers of communication cable trays include MP Husky, Atkore (US Tray), Snake Tray, Chalfant Manufacturing, and Legrand, all offering NEMA- and UL-compliant solutions. Top Manufacturers and Their Offerings MP Husky is a founding member of the USA Cable Tray Institute and a leading US manufacturer of cable tray systems, including aluminum, galvanized steel, stainless steel, fiberglass, PVC-coated, single rail, and wire mesh/basket trays. Their products meet or exceed NEMA, UL, CTI, and CSA standards, serving a wide range of industries with high reliability and innovative designs. Atkore (US Tray) specializes in made-to-order cable trays built per NEMA standards and UL-certified. Their offerings include Eagle Basket wire mesh trays, I-Beam trays, and C-Channel swage trays, all designed for efficient airflow, dust protection, and easy installation. They emphasize logistics management and customer service, with all products manufactured in the US. Snake Tray manufactures aluminum and steel cable trays for data centers, solar installations, transit, and other applications. Their products are designed to reduce construction costs and support faster project installations, offering both cable management and power distribution solutions. Chalfant Manufacturing provides high-quality cable tray systems with innovative self-connecting options. With over seventy years of experience, they focus on tailored solutions and actively participate in industry organizations to enhance cable tray production and installation. Legrand is a global leader in electrical and digital building infrastructures, offering cable trays, raceways, electrical enclosures, and wiring accessories. Their products are widely used in construction, telecommunications, and energy sectors, emphasizing durability, safety, and compliance with North American standards. Additional Notable Manufac...
