

What are some fiber optic cable laying manufacturers in Barbados

AI Overview

Brilltech Engineers Pvt. Ltd. and TELiCON Group are key Barbados-based companies involved in fiber optic cable manufacturing, supply, and installation. Brilltech Engineers Pvt. Ltd. is a prominent cable manufacturer in Barbados, offering a wide range of electrical and fiber optic cables. Established in 2007, the company operates an in-house manufacturing unit equipped with modern machinery to produce high-quality cables, electrical panels, transformers, and bus ducts tailored to customer specifications. They are ISO 9001:2008 certified and serve both local and international markets, providing custom solutions for commercial, industrial, and residential applications. TELiCON Group specializes in fiber optic design, construction, splicing, installation, and maintenance. They partnered with Flow Barbados to deploy the first 100% fiber-to-the-home (FTTH) project in the Caribbean, successfully installing over 10,000 km of fiber optic cable and serving more than 350,000 subscribers. TELiCON also provides services across the Caribbean, including Jamaica, Cayman Islands, and St. Lucia, and supports both residential and commercial clients. Their expertise extends to hybrid fiber-coax networks, campus networks, PBX, CCTV, and wireless systems. Additional Resources For a broader list of verified fiber optic cable manufacturers in Barbados, platforms like GetManufacturers.com and BarbadosIndex.com provide detailed company profiles, product catalogs, and direct contact information for B2B sourcing. These companies represent the primary options for sourcing fiber optic cables and related services in Barbados, offering both manufacturing capabilities and full-scale installation solutions.
